Practitioner, not just a brainstormer—story-driven keynotes on mobile apps, AI, websites, social media, and marketing for each—from zero to scale. Second-generation funeral home; in the funeral industry longer than coding.

## PRIMARY — CORPORATE SPEAKING

- Mobile apps, AI, websites & social media
- Marketing across every channel—zero to scale
- Funeral homes & conferences: win in the digital age
- State lotteries: iOS & Android store rejections
- Tailored to your audience—not canned

## ALSO — NATIVE MOBILE CONSULTING

- State lotteries: App Store & Play blockers
- Native iOS (Swift) & Android (Kotlin)
- Rejection recovery, ASO, UX, MVP roadmaps
- SEE: Stability → Engagement → Expansion

## STAGES & ORGANIZATIONS

La Fleur's · NFDA · ICCFA · OGR · Virginia Lottery · Arlington County · Non-profits (DC & MD)
